About ERP Expo 2026

What is ERP Expo 2026?

ERP Expo 2026 is a one-of-a-kind B2B platform designed to connect ERP solution providers with businesses seeking innovative tools to streamline their operations. Whether you are exploring ERP for manufacturing, finance, logistics, or retail, this expo is tailored to your needs.

Why Attend?

Discover the latest ERP technologies and trends.

Gain insights from industry leaders and ERP experts.

Network with decision-makers & peers across industries.

Event Highlights

1. Exhibitor Showcase

- Meet top ERP providers from all over India along with their products.
- Explore cutting-edge tools and innovations from startups and niche ERP providers.

2. Industry-Specific Zones

- Manufacturing ERP: Solutions for production and supply chain efficiency.
- Finance ERP: Platforms for accounting, planning, and compliance.
- Retail ERP: Tools for POS, CRM, and omnichannel operations.
- Logistics ERP: Systems for fleet management and warehouse operations.
- Healthcare ERP: System that streamlines hospital operations, patient care, and administrative processes in a unified platform.
- Construction & Infrastructure ERP - Project based ERP providers, tools for tendering, BIM integration and EPC project management.
- EdTech & Campus ERP - Campus and education ERP vendors. HR, Scheduling, fees & student lifecycle management tools.

3. Knowledge Sessions

- Keynote speeches from industry pioneers.
- Panel discussions on ERP trends, implementation challenges, and best practices.
- Case studies showcasing real-world ERP success stories.

4. Workshops & Training

- Hands-on training on ERP customization and integration.
- Workshops focused on cloud ERP and AI-powered solutions.

5. Networking Opportunities

- B2B matchmaking sessions.
- Dedicated networking lounges for informal discussions.

6. Innovation Zone

- Explore emerging ERP technologies such as IoT, AI, and blockchain.
- Get a glimpse of future ERP trends.
